

Evolving the Automotive Retail *Experience*

## **Service** Connect *Same People. Better Support.*

### Faster than the phone

Service Connect is the FASTEST way to get CDK Support – no holding on the phone or wading through prompts. It's available from your CDK desktop, mobile device or anywhere you have an Internet connection. Help is just a click away.

### Your instant connection

Web chat with us today. We'll even call you back if you need to speak with us. Your satisfaction is our No. 1 priority!

### The right support, right now

Solving your most critical issues is what we do. We connect you with the right resources and the right expertise for any issue, every time.

### Be first in line for support

From chat to how-to videos to featured tips and tricks, you have access to a goldmine of helpful answers and a dedicated team of professionals. Check out the robust search features or join the conversation in the Community to interact with other dealership employees just like you.
